Story by Nobby Barnden, Sim McDermott & Daniel Tejnický. Art by Daniel Tejnický

The outskirts of Bleak City, Strip mall land.

It's late February, but Christmas never ends in this stock 'em high sell 'em cheap hand-sell centre of commerce...

The Brothers Grim. On a mission...

But death is not the goal of the mission. Quite the opposite.

A brother whose spirit now resides in a wooden dummy.

At least, that's what the living Grim believes.

Anyway, idiot brother...

The solution is not a fat man in red.

I now know the solution.

They come to me last night.

They come to me, in a dream.

They come?

Yes, brother. TWINS.

A workshop, in the desert wastes...

The Terrible Twin...
Newcomers to the
Carmageddon scene.

I'm thinking of
fitting a more

powerful
afterburner.
Do I

agree?
Yes of course -
I was thinking
the

same thing
myself.

I'll email the
Lockhead jet

engine surplus
store later.

BERRAT!

Test

Drive!

Their unique
vehicle roars
out into the
vast aircraft
junkyard.

1369

And before long...

The Grims take evasive action.

Idiot!
We came
for the soul
of this...

Siamese
freakshow. I

And we are
going to take
it!

One way or
another!

GRRRR!

So, the HARD way it is!

WAAAAAAAAAAAA

NOOO!

SLAP!

Fuck

The dummy carries
out an unscheduled
engine inspection.

Meanwhile, the impact sends more wood flying, right out of the back door...

Crashing to rest in front of the Twin.

that..?

Is

That

is his

dead

twin.

Die, Twin.

Temporarily distracted, the Terrible Twin is caught off-guard, and...

Close, but the Twin's design flair saves them...

And each half escapes, into the torn landscape.

Later, back at Grim's Funeral Parlor...

Come ON idiot brother... carve me faster!

I've got a plan...
